

Education Training

Education classes for Carolina Locals 2404 GM, Charlotte, NC; 3520 DTNA, Cleveland, NC; 5285 DTNA, Mt. Holly, NC; 5286 DTNA, Gastonia, NC and 5287 TBB, High Point, NC. The classes were held on October 31st and November 1st at UAW Local 3520's union hall. Class participants included alternate reps, front line reps, chairpersons, and appointed reps from across the five locals that were present. There were 25 class participants, representing five locals, all located in North Carolina.

Education Rep. Jason Thomas led the training along with Servicing Rep. Bob Riggins. UAW Local 3520 in Cleveland, NC hosted the classes and provided breakfast and lunch during the two day class.

Topics included UAW 101, Union History, State and Federal Laws that apply to organized labor, and grievance handling. It was a great opportunity to expand our knowledge base and interact within our locals. Based on feedback from participants it was a great class and requests were made for additional training classes to be held in the near future.

We are privileged to be part of the UAW and we would not have had this opportunity otherwise. Thank you to our Regional Director Mitchell Smith and Assistant Director Tim Smith for authorizing this event to take place!
